

Instructions for Connecting Laptop to Conference Room TV Screen :

STEP 1:

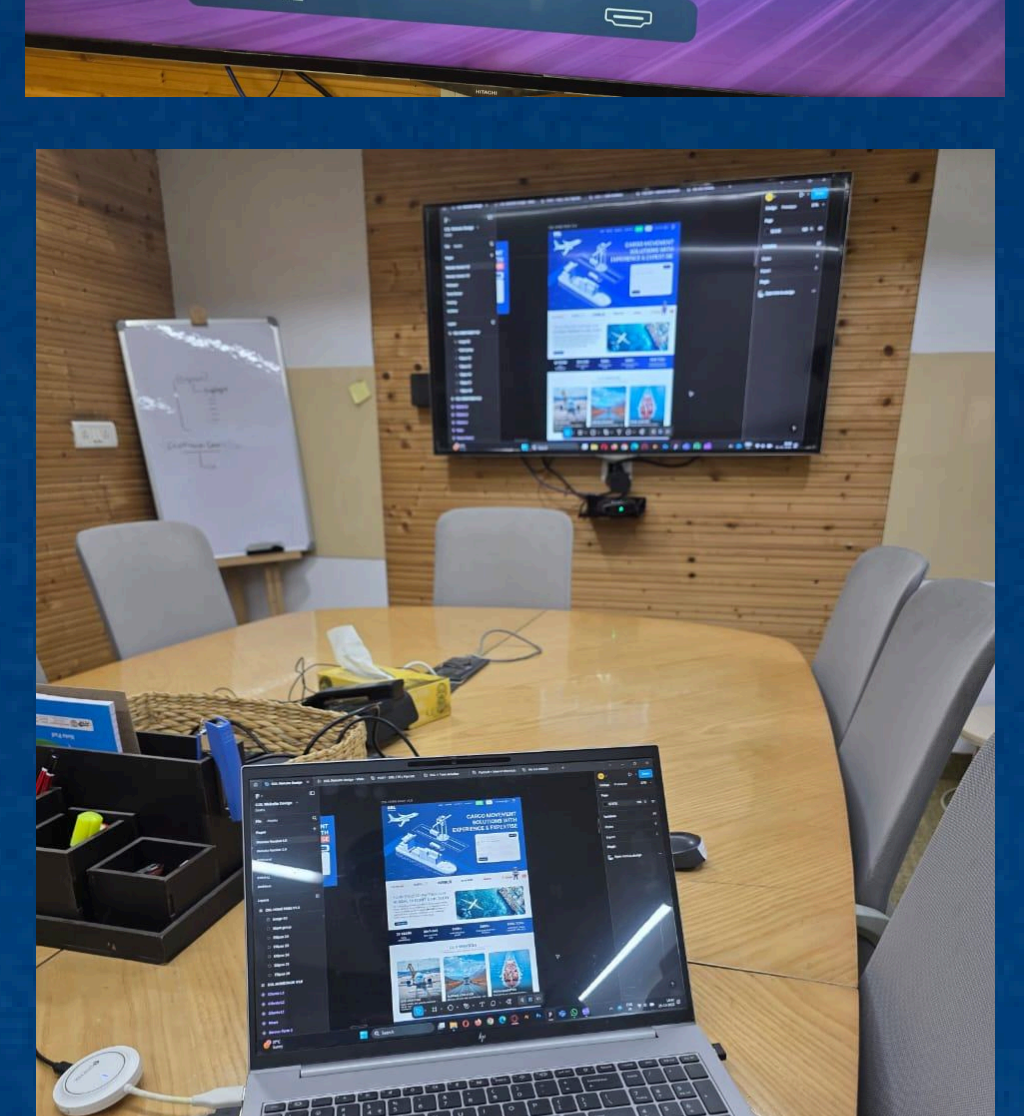

Turn ON the TV using the Power Button.

STEP 2:

Connect the Linetek device (kept in the basket on the round table) to your laptop using both ports – USB and HDMI.

☛ Ensure the blue light on the Linetek device is glowing.

STEP 3:

Wait a few moments for your laptop screen to automatically display on the TV.

If it doesn't appear, proceed to Step 4.

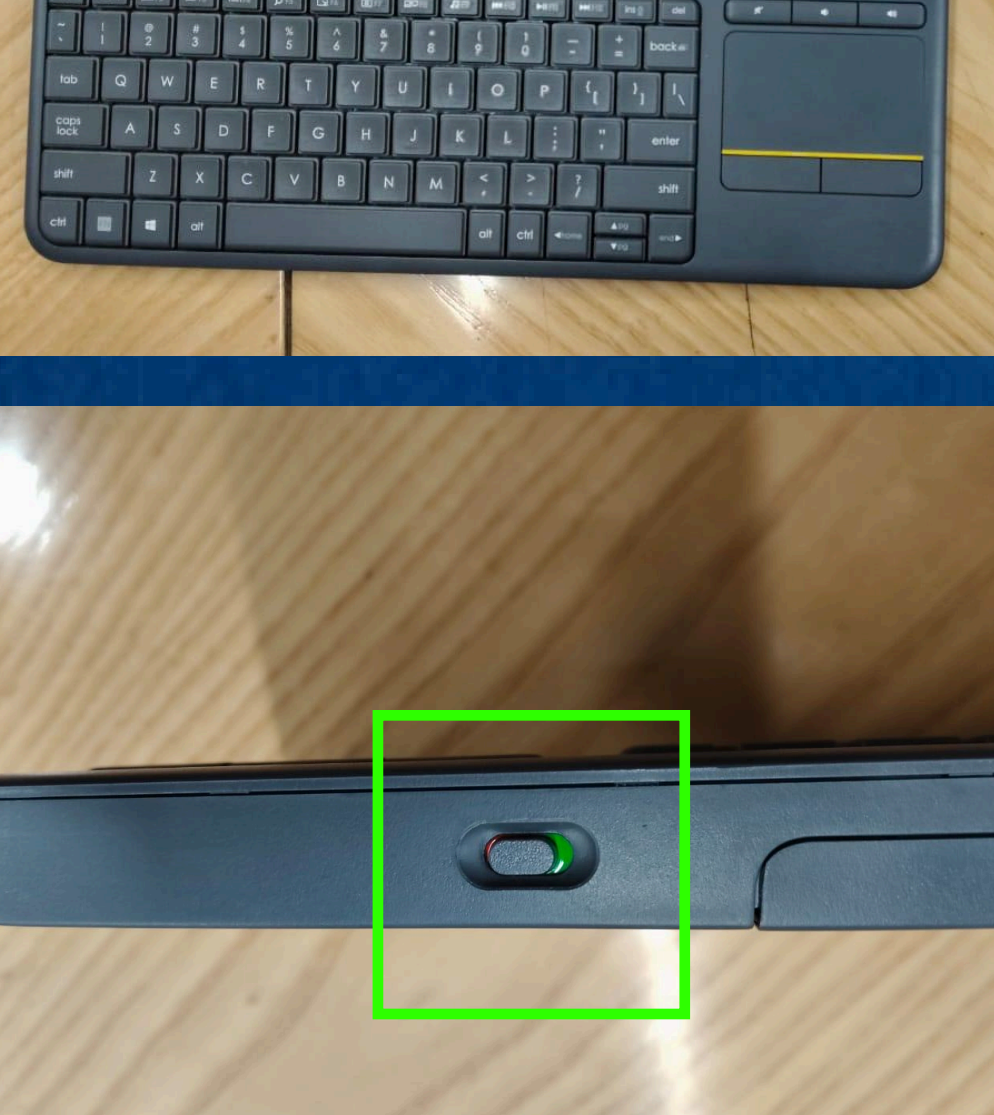

STEP 4:

Using the mouse kept in the basket, select the HDMI 2 option that appears on the TV screen.

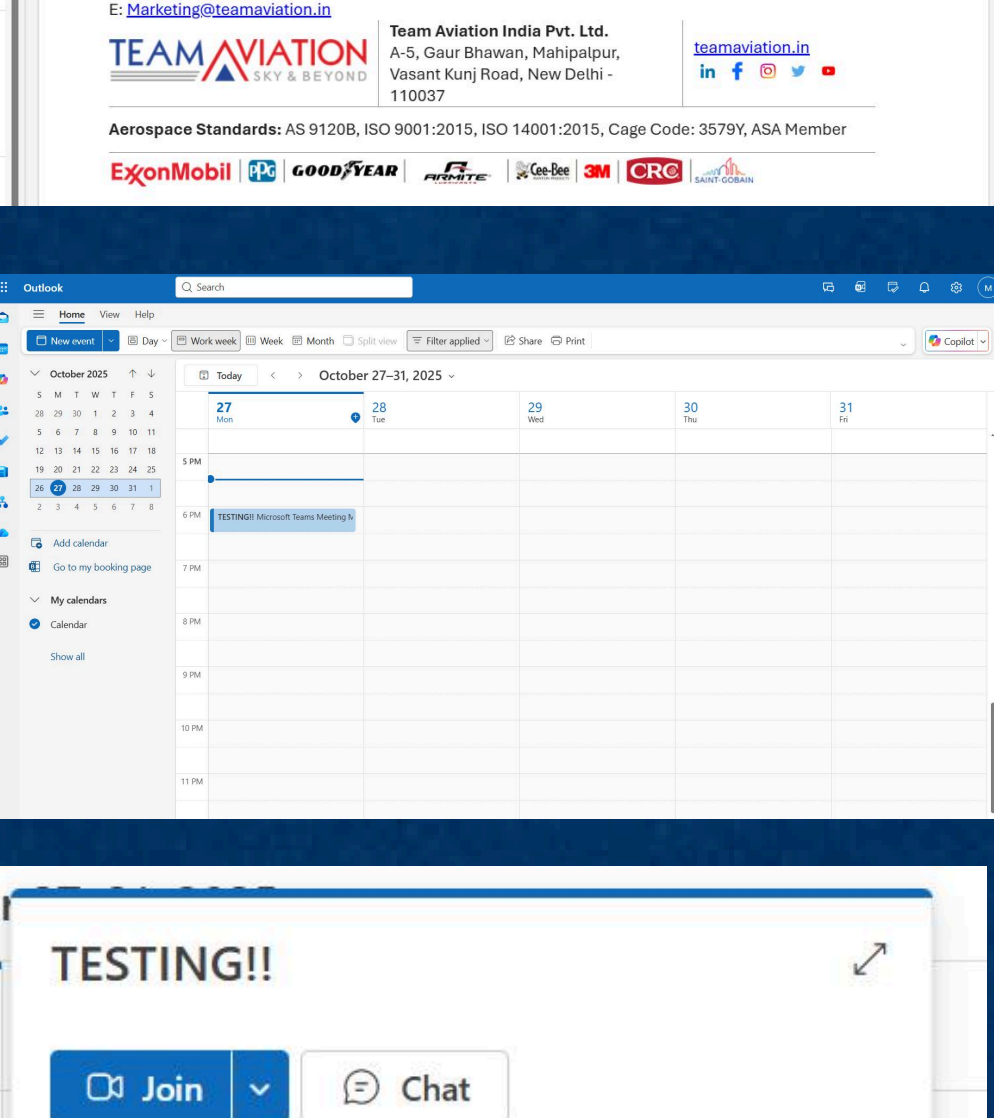

Instructions for Joining a Meeting on Board Room TV Screen

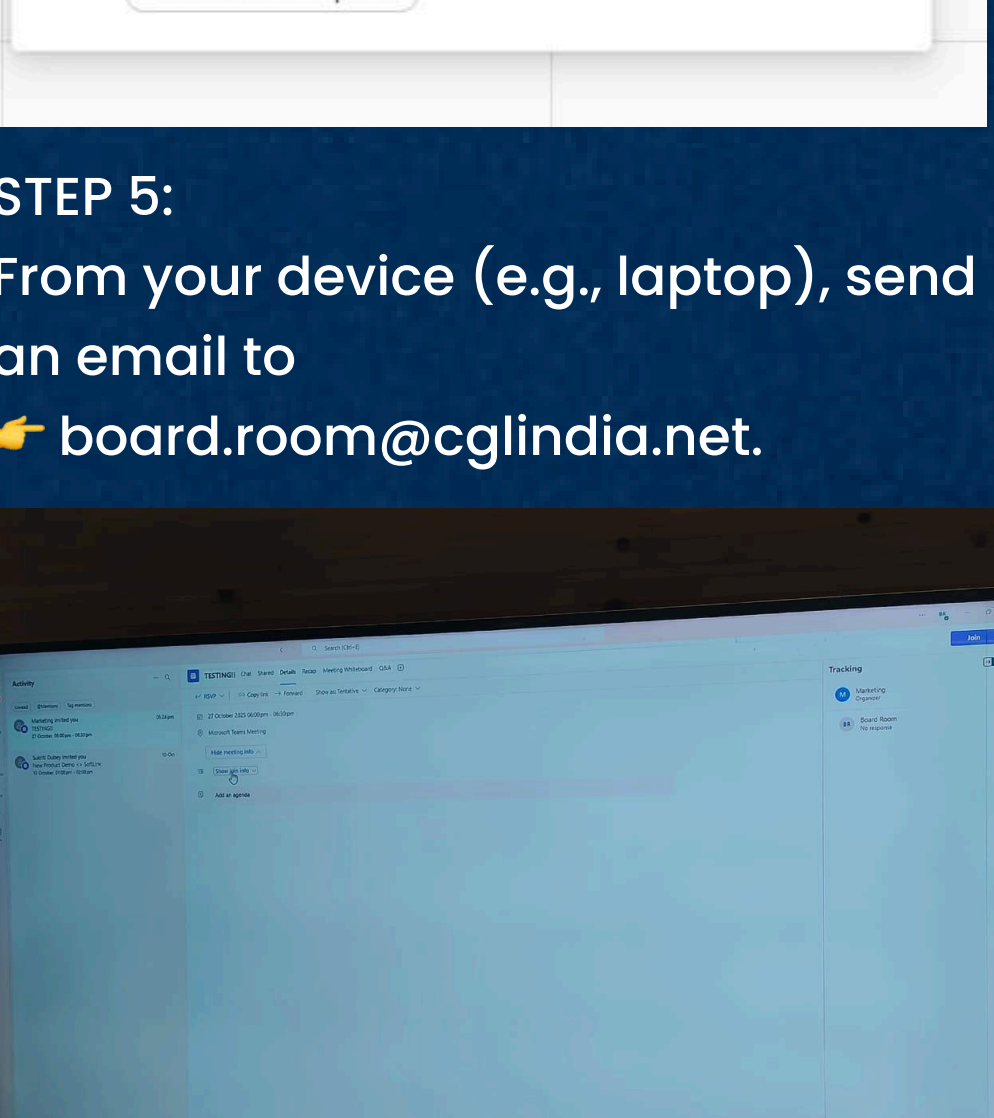

STEP 1:

Connect the Mic and Speaker device to the power source.

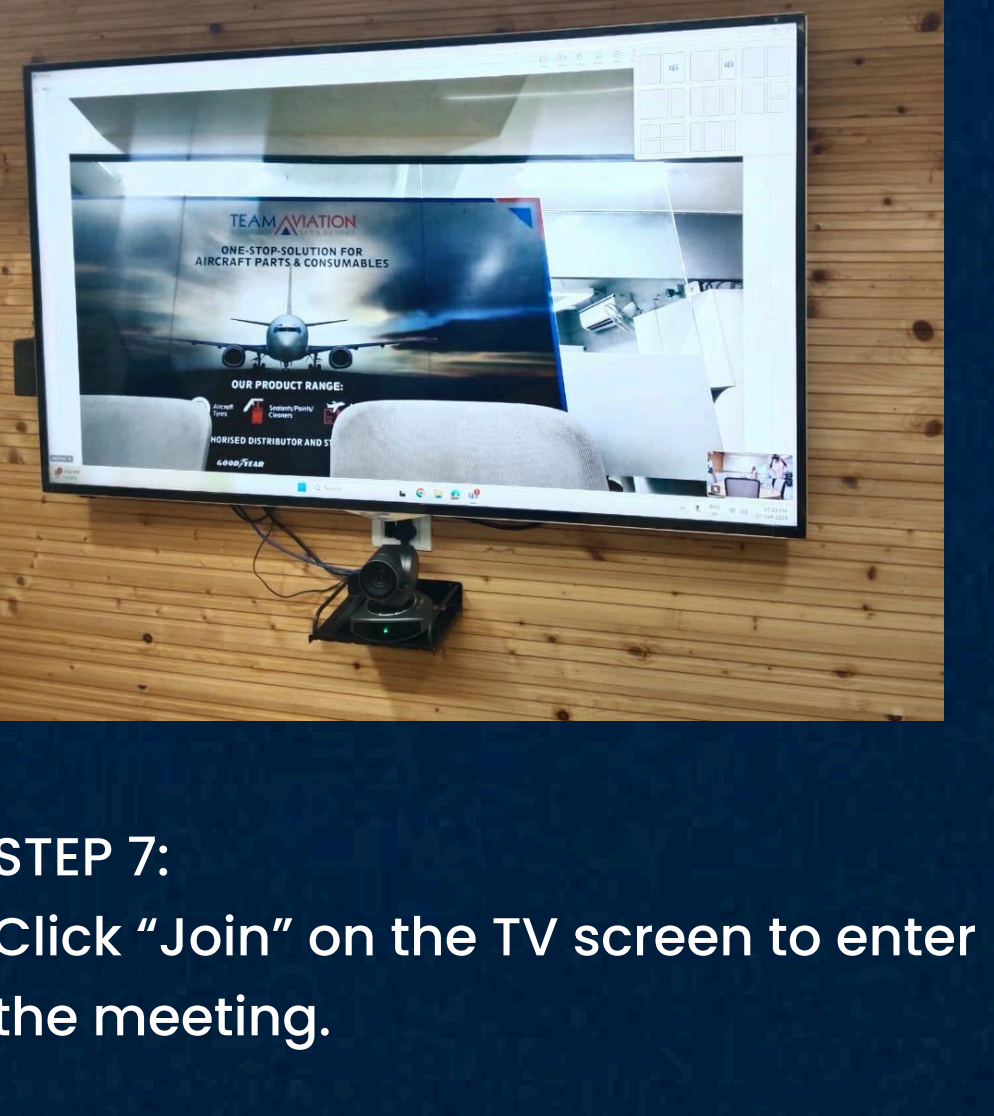

STEP 2:

Uncover the Camera and Power ON the TV.

STEP 3:

Using the mouse (kept in the basket), select HDMI 1 as the input source.

STEP 4:

Turn ON the Keyboard.

STEP 5:

From your device (e.g., laptop), send an email to board.room@cglindia.net.

STEP 6:

On the TV screen, check for a mail notification using the Logitech keyboard and mouse pad.

STEP 7:

Click "Join" on the TV screen to enter the meeting.

THANKYOU !
